Mr. L. H. Mannen, whose parents live near Germantown, was brought here yesterday on No. 2 C. and O. train. He was on a cot and had traveled from California. He was in the last stage of consumption and no doubt his one great desire was to return to his home in Kentucky and see the dear ones before passing over the great divide.

See the Fine Baldwin Piano at Gerbrich's.

THE LEDGER'S agreeable neighbor, Jacob C. Cablish, has a new delivery wagon and it is the very latest thing out. It's a beauty and no mistake.

**An Easy Time For Mothers.**

Zoa Phora Relieves All Pain and Suffering and Makes the Road for Mothers Smooth.

**Trial Bottle Free to Every Woman.**

The freedom and relief from pain and suffering that Zoa Phora has brought to women during childbirth alone is enough to render it the greatest blessing of the age to women. In addition to this it cures all irregularities of the sex, misplacements, suppressed and painful periods, leucorrhoea, piles, kidney, bladder and liver troubles and regulates the change of life. Zoa Phora makes the change from maidenhood to womanhood safe and easy and is a matchless remedy for young girls during this critical period of their lives.

The women of America endorse and praise Zoa Phora. All women can secure perfect health and happiness who will use Zoa Phora. All who have used it are now rejoicing in these blessings as their words of praise and gratitude prove. The following letter is only one of thousands which we receive:

Mrs. C. H. Clark, Box 365, Lake View, Mich., says: "I wish to say a few words of praise for Zoa Phora, as it is certainly the best medicine I have ever used for women's troubles. I have suffered with leucorrhoea for seven years, and I also felt causing misplacement, from which I suffered for five years. I had a six months' birth, which nearly caused death, and ever since I have been sickly."

"Last Christmas one of Dr. Pengelly's books, 'Advice to Women,' came within my reach, and so highly recommended Zoa Phora, that I decided to try a bottle, and have found the very best of results. February 22 I gave birth to a little girl, and she is strong and smart, and I am in the best of health I have had for over seven years, all from the use of Zoa Phora. I will say anyone who is troubled in like manner or expecting confinement should take Zoa Phora, and it will certainly be of great benefit to them. I know it makes childbirth much easier than without it."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Pengelly's Advice to Women." The doctor will give gladly free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

**KATHERINE WILLARD.**

The Times-Star April 18th says: "Katherine Willard and an excellent company were welcomed back to the Walnut by two big audiences Sunday. 'The Power Behind the Throne' proved to be as thrilling as ever. Ably supporting Miss Willard and second in favor with the house was John G. Edwards, a handsome, manly young chap, whose portrayal of the young 'Baron Ronald' was as good a thing as has been seen at the play-house this season. Lillian Norris, as the 'Duchess Von Waldheim,' gave the character all the wickedness of expression and action that could be desired and yet kept the tone of her work in harmony with the spirit of the play. 'The Power Behind the Throne' is founded upon certain scenes in Schiller's 'Love and Intrigue.' It is a piece which is full of action and interest, and in the hands of this clever company is worthy of the patronage of such audiences as the Walnut can hold."

**"DO IT TODAY."**

The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Ross's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottle, 25c, regular size, 75c. For sale at Henry W. Ray's Postoffice Drugstore.

We Paid \$100,000

For Ligozone—Yet We Give You a 50c. Bottle Free.

This Company, after testing Ligozone for two years in the most difficult germ diseases, paid \$100,000 for the American rights. That is by far the highest price ever paid for similar rights on any scientific discovery.

We publish this fact to show you the value of Ligozone. Men of our class don't pay a price like that save for a product of remarkable worth to humanity.

Kills Inside Germs.

The reason for that price is this: Ligozone alone can kill germs in the body without killing the tissues too. Nothing else in the world is so good for the human body; yet Ligozone is a germicide so certain that we publish on every bottle an offer of \$1,000 for a germ that it cannot kill.

Ligozone destroys at once and forever the cause of any germ disease. And there is no other way to do it. Any drug that kills germs is a poison, and it cannot be taken internally. Medicine is helpless in troubles of this kind.

Not Medicine.

Ligozone is not made by compounding drugs. Its virtues are derived solely from gas, made in large part from the best oxygen producers. By a process requiring immense apparatus and 14 days' time, this gas is made part of the liquid product. Ligozone has, for more than 20 years, been the constant subject of scientific and chemical research.

The result is a product that does what oxygen does. Oxygen is the very source of all vitality, the most essential element of life. Ligozone is a vitalizing tonic with which no other known product can compare. Its effects are exhilarating and purifying. But germs are vegetables; and Ligozone—like an excess of oxygen—is deadly to vegetable matter.

Ligozone goes wherever the blood goes, destroying every germ in the body. In this way it cures diseases which medicine never cures. It will do more for sick humanity than all the drugs in the world combined.

Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Ligozone kills the germs, wherever they are, and the results are inevitable. By destroying the cause of the trouble, it invariably ends the disease, and forever.

If you need Ligozone, and have never tried it, please send us this coupon. We will then mail you an order on your local druggist for a full-size bottle, and we will pay your druggist ourselves for it. This is our free gift, made to convince you to show you what Ligozone is, and what it can do. In justice to yourself, please accept it to-day, for it places you under no obligation whatever.

Ligozone costs 50c. and \$1.

Mr. Frank Bargy of 331 East Third street says:

"Greater praise cannot be given Doan's Kidney Pills than their wonderful merits deserve. I procured them at J. J. Wood & Son's Drugstore, corner of West Second and Market streets. The use of this remarkable remedy demonstrated beyond question that if taken properly a cure surely will follow."
